**FOR IMMEDIATE RELEASE**

## **Computer Giveaway**

July 6, 2010 - - GO Consulting Services announced their plan to give away four more computers to the general public in July and August. Just like last year, GO would will draw one name every Tuesday for the next four Tuesdays. This campaign provides a way to recycle good computers to Shawnee citizens that would otherwise be thrown away.

Each reconditioned computer is internet ready and is equipped with the CPU, monitor, keyboard, mouse and XP Pro operating system. "These computers would be a great machine for any student or anyone on a budget," said Chris Odneal, GO's President.

GO encourages everyone to come in to their home office anytime over the next four weeks to sign up. There is no cost to sign up. Each week one name will be drawn from the previous week's names. Each person may only sign up once per week and there will be only one computer per winner.

GO is located at 6 West Main Street in Downtown Shawnee.
